

CARPENTER ADVISORY GROUP LLC

Woman-Veteran Owned Small Business (WOSB/VOSB)

Capability Statement

WHY CHOOSE CAG?

Carpenter Advisory Group LLC (CAG) delivers mission critical aviation, infrastructure, and program management solutions that improve regulatory compliance, accelerate federal funding execution, and enhance operational readiness for federal, state, and local aviation stakeholders. CAG brings extensive federal policy expertise, combining aviation operations leadership, infrastructure engineering, and data-driven decision-making to the enterprise.

CORE COMPETENCIES

Aviation & Airport Consulting

- Airport planning, operations, and infrastructure development
- FAA regulatory compliance (14 CFR Part 139, AIP, ACIP)
- NextGen, UAS, and emerging aviation systems integration

Federal Grant & Program Management

- End-to-end FAA AIP grant lifecycle management
- Financial oversight, audit readiness, and grant assurances
- Federal reporting, stakeholder coordination, and policy development

Defense & Airfield Operations Support

- Airfield operations management and safety oversight
- Military–civil aviation coordination (FAA, DoD, international)
- Deployment support, contingency operations, and mission readiness

Engineering, Technical & Cybersecurity Services

- Capital program planning and infrastructure oversight
- Energy and grid compliance (NERC/FERC standards)
- Systems analysis, technical documentation, and process optimization

Data Analytics & Digital Transformation

- Power BI dashboards and automated reporting solutions
- AI-enabled workflow optimization and performance analytics
- Data governance and enterprise database management

PAST PERFORMANCE

- Administered \$2B+ in FAA airport grants across 600+ awards supporting U.S. airport sponsors' operational requirements
- Directed 100+ member teams enabling 17,000+ DoD flight operations, enhancing mission readiness and operational efficiency
- Led \$98M runway development program and major airfield infrastructure upgrades for Joint-Base airport sponsor
- Managed \$250M+ in energy infrastructure programs with full regulatory compliance oversight across national service area
- Delivered a \$28M cybersecurity portfolio aligned with federal and energy sector regulations ensuring NERC compliance

DIFFERENTIATORS

Former FAA Office of Airports Leadership

- Provides insider expertise in FAA funding processes, regulatory compliance, and approval pathways to accelerate project success

Proven Federal & Defense Experience

- Successfully supports FAA, DoD, and private industry contractor requirements with mission-focused execution

Dual Aviation + Engineering Expertise

- Combines airfield operations leadership with large-scale infrastructure and engineering program management capabilities

Enterprise Transformation

- Brings experience managing multi-billion-dollar federal funding portfolios with strong compliance and delivery outcomes

NextGen & Emerging Technology Focus

- Integrates cybersecurity, AI, and advanced analytics into aviation and infrastructure program management

CONTRACTING INFORMATION

- **UEI:** H6CXJ216SQM7
